

## Success By 6

### Helping all children succeed for life.

- **Success By 6's** provincial mission is that **every child succeeds for life** by focusing on ensuring, through *leadership, leveraging and linkages*, that all communities in BC are better served in supporting healthy childhood development.
- The **Success By 6** provincial initiative is committed and accountable, through ongoing evaluation, to BC's children and families, communities, early years stakeholders and the Provincial Government.
- United Ways are part of a strong, unique provincial partnership with the BC Government, Credit Unions of BC and Aboriginal Leadership, who support the work of **Success By 6's** cross-sectoral Early Years Planning Tables and Councils.
- **Success By 6** is governed and guided by Early Years Community Planning and Aboriginal Engagement Frameworks.
- **Success By 6** partners work to align provincial and local Early Childhood Development (ECD) priorities that are community-driven and prevention-focused.
- **Success By 6's** Early Years Planning Tables and Councils have flexibility, capacity and are responsive in addressing the specific needs and strategic priorities of individual communities.
- **Success By 6** is relationship-focused and encourages collaborative Early Years partnerships that aim to build trust, eliminate duplication, and support integrated and sustainable planning.
- **Success By 6** is committed to community-based decision making involving leaders from all community sectors, including School Districts, Health Authorities, local government and more.
- **Success By 6** community planning is evidence-based and uses Early Development Instrument (EDI) research and other community data.
- **Success By 6** continues to integrate Early Years services that improve accessibility of programs, recognize cultural diversity, and connect BC families to a wider range of ECD supports.
- **Success By 6** provides community directed program funding and free or low-cost, quality, childhood development resources to families with young children across the province, including Aboriginal specific resources.
- **Success By 6** and Children First work collaboratively to support and align with the objectives of the [BC Early Years Strategy](#).
